

ISO 14001

Certification

JTEKT Bearings North America, LLC - Sylvania Plant

400 Friendship Road, Sylvania, GA, 30467, US

SCOPE OF CERTIFICATION:

The manufacture of needle bearings, steering and precision components and assemblies including associated support activities, excluding Ingersoll Rand groundwater remediation activities.

BOUNDARIES:

Scope includes all production buildings at site address and including parking lots, excluding warehouses.

Having been examined in detail for conformance to the requirements of ISO 14001:2015, and having been determined by Advanced Waste Management Systems, Incorporated, the Certification Body, to be in conformance with all provisions of this standard, the Environmental Management System of the organization is hereby certified to ISO 14001:2015. The scope of this certification includes all operations and activities of the organization as specified above. This document is subject to the terms and conditions of AWM Rights and Duties document.
