

Grease Compatibility Chart

The chart below should only be used as a guide for grease compatibility. The best approach is to thoroughly clean out any old grease before adding a different grease that may or may not be fully compatible.

 incompatible  compatible	Aluminum Complex	Barium	Calcium	Calcium 12-Hydroxy	Calcium Complex	Clay	Lithium	Lithium 12-Hydroxy	Lithium Complex	Urea	Sodium
	Aluminum Complex	Barium	Calcium	Calcium 12-Hydroxy	Calcium Complex	Clay	Lithium	Lithium 12-Hydroxy	Lithium Complex	Urea	Sodium
